

RENT A QTH - SI9AM

**SI9AM, King Chulalongkorn Memorial Amateur Radio Society
in Ragunda, Sweden**

To offer radio amateurs the possibility to gain contact with other radio amateurs around the world using the special call **SI9AM**, we have built up a Visitor's Amateur Radio Station in Utanede.

Our QTH is located about 200 meters from the Thai Pavilion in Utanede. Accommodation can also be arranged in the same building (Holmstagården) at a low cost.
